Vimukti Girls School

Message from the Board Member

The passion, desire and dedication of Ms Lavalina Sogani to bring a change in society through educating girls had a gravitational pull on me to join and participate in this noble initiative. Vimukti Sanstha is doing stupendous work in shaping the lives of these girls not only through formal education but also through a holistic approach in personality development, creativity and exposure to various cultures and issues.

Empowering girls from weaker sections of the society against all odds, Vimukti will win by steering and changing the course of their lives. My best wishes to the team!

Prof. Neeru Saluja

"If these girls get right direction then sky is the limit for them and they can make their parents proud just like their brothers, even more than that. If these little girls achieve success and live their lives independently, we will consider our mission accomplished." Rakhi Lakhwani, Teacher, VGS

Thank You Chandra Prabhu Mahila Mandal, Durgapura

Vimukti Post School Support Program

Spoken English Class in progress

Vimukti initiated a program of post school support in October 2015 for deserving girls to pursue vocational training directed at obtaining gainful employment or coaching to prepare them for entrance exams for higher studies, after completing class XII. The program is being funded by India Education Fund, USA & EduGirls, USA. Under this initiative, spoken english classes and career counseling sessions are being conducted for class XII girls.

"Vimukti Sanstha is making a great effort for its old students by providing free Spoken English classes where students like me are learning how to speak English more confidently." Suman Bilotha (Suman studied in VGS from KG to class VIII and then joined a government school for further studies. She is now in class XII and has opted for Arts stream.)
