Social Profile of VGS Students

"Good Education will help me get a good job"

I am Priyanka Jogi. I am 17 years old & I study in class VII. I live with my mother, two younger sisters & two younger brothers. My mother started selling tissue paper on the roads after my father died around 8 years ago. She kept unwell

most of the time because of the hard nature of her work & now she is bedridden. Presently, we do not have any regular source of income. I have realized the importance of education, had my mother been educated, she could have managed to get a job which would have paid her more that too without facing any health problems. I now study hard so that I can get a good job and support my family.

This Diwali, Gift a Smile!

Dear Friends,

This festive season, we request you to donate to VGS, the amount for which you would normally buy a gift for your friends & family. We will send a "Thank You" card to the person to whom you wish to give the gift. A minimum of Rs 500 per Gift Recipient is desired (Gift Recipient is the person to whom you wish to give the gift). We will send a "Thank You" card to the Gift Recipient. You will receive your 80G receipt if you wish to.

Believe us, your gifts will bring smiles on everyone's faces-our girls, your friends and family and you. Isn't that the true spirit of Diwali? For further details, you can contact us at 91 9887249992 or 91 8058799985.
