Vimukti Girls School

Dear Friends,

I am happy to tell you that for the benefit of our students, we have started **Barbara Book Club**. The funding for the same has been provided by Dr R N Agrawal of USA. Mr Rupendra Periwal and Mrs Radhika Sharma have also supported us. The club was launched on 28<sup>th</sup> September by Ms Isha Swarup, our Board Member. We hope that we will continue to get such support from all of you to help us achieve our mission of *Liberating Girls Through Education*.

Thank You.

**Shyama Mathur**  
Principal

### Activity Update

#### Inter-School Dance Competition

was organized at Alpha Beta School on 3<sup>rd</sup> September and our school won third prize.

#### Teachers' Day

was celebrated with great zeal. Senior students played the role of class teachers. School organized lunch and gifts for the teachers.

### Message from Board Member

"Vimukti is doing wonders for urban girls in poverty and its vision to lead them to financial independence is truly unique and inspirational. One day I hope it will be seen as equivalent in quality to the best private schools but exclusively for the poor. VGS has led to the setting up of Edugirls in the USA, a non profit dedicated to help fully develop the Vimukti approach and then to support others to apply it in other places. Let us keep going."

Anand Seth

Congratulations!!!  
**Rakhi Sangelia** on winning the stamp making contest conducted by Exide Life Insurance.

### Donor Feedback

"I was very happy to visit Vimukti Girls School. Girls living in slums are given a chance to be educated-this indeed is a great service to the society. My heartfelt congratulations to Mrs Sogani and staff."

## Story of Hope

*“I will become a Doctor and help the poor”*

I am Swati Baghel and I am 12 years old. I am studying in class VII in Vimukti Girls School.

My father works as a driver and my mother is a housewife. I have one brother and 2 sisters. One of my sister also studies in Vimukti Girls School in class VIII.

My father came to know about Vimukti School from his employer who is a board member of Vimukti.

My sister and I joined Vimukti 3 years back. I love my school very much, I have many friends here and I like the meals milk provided here every day. I love to study science. My aim is to become a doctor so that I can serve the society. I will always be there to help the poor just as my teachers do.

Please help us grow & educate more & more girls like Swati Baghel.
